

## Tip Top Lisbon

Validity: 2015

### SUGGESTED ITINERARY :

- Day 01** **Origin/Lisbon**  
 Arrival to Lisbon airport. Meet & Greet and departure from airport to the hotel with panoramic tour to discover the magic of Lisbon on an introductory tour that covers some of the city's highlights.
- Turn your evening into a special evening. Enjoy your own private historic tram with a tour of the city's highlights. There is time to savour a "glass of Porto wine" served by ladies in regional costume before arriving for dinner at Tagide. Tagide restaurant is housed in a charming 18<sup>th</sup> century building, in the heart of Chiado district, with views overlooking the river.
- Day 02** **Lisbon old town**  
 Travel in the spirit of the 1930's. Visit Lisbon's city historical centre in stylish old-timers. Lunch will be served at the restaurant Doca Peixe. As its name indicates, Doca Peixe is located in the Docks and its specialty is fresh fish. While you are at the docks, set sail on the Tagus River and experience the adrenalin of a regatta during the afternoon.  
 End the day with an exclusive Michelin Star experience - dine at the Feitoria Restaurant.
- Day 03** **Lisbon's coast**  
 The day begins with an adventurous Wacky Race that leads you to the Estoril Coast... Leave Lisbon at high speed in speedboats until the charming little village of Cascais. From there, pop into jeeps that will take you to your next means of transportation – a helicopter... Enjoy the views from the sky and land right in the heart of the romantic village of Sintra. After a quick royal lunch in Seteais Palace, enjoy a scenic ride through Sintra in a horse-drawn carriage before reaching the mysterious Quinta da Regaleira. Here an exciting treasure hunt begins. A hunt filled with riddles and mind challenging questions that will lead guests to the long lost Holy Grail. This is an excellent and funny way to discover the charming Quinta da Regaleira and its tunnels.
- For closure, we suggest a special dinner in an exclusive venue with a private Fado performance. Dine in St. Vincent's Palace. Saint Vincent's Palace was built in the 1606; an iconic example of 17<sup>th</sup> century architecture. A unique and memorable experience. And to make it even more special, a private Fado performance will enhance the atmosphere during the evening.
- Day 04** **Lisbon/Origin**  
 Transfer to Lisbon Airport. It is time to say *Adeus* ...
