The Parco dei Principi Grand Hotel & Spa is a Unique Urban 5 star Resort, member of Preferred Hotel Group, located in the centre of Rome with views of the Villa Borghese Park and close to the major attractions of the city. You will not visit anywhere in the world greater than Rome. Exciting, bustling, beautiful, romantic and fascinating Rome, sprawling amongst seven hills, and admired for both its ancient and modern wonders

And when in Rome, we suggest doing as the Romans . . . climbing the Spanish Steps, strolling along the boutique and cafe esplanade of the Via Condotti and Via Veneto, or simply tossing a coin into the Trevi Fountain.

Your Rome experience will include a visit to the Coliseum, a walking tour to discover the hidden secrets of the city with gourmet stops en route as well as a vintage Vespa tour. Free time is also incorporated allowing you to create your own special moments. During your stay, you will be invited to our exclusive "Street food festival" – with serious food but fun packed entertainment and ambiance – "Italian style"! Arrivederci in Roma!
